

## BYC – JV & VARSITY CLINIC & VARSITY TRYOUTS

BYC has decided to offer the Varsity Try-Out Clinics to all 7 & 8<sup>th</sup> Grade girls (also for 6<sup>th</sup> grade girls only if they want to try out for the Varsity Squad). This will give all 7<sup>th</sup> and 8<sup>th</sup> grade girls an opportunity to see what BYC is all about, get a jump start on the season and learn a new cheer & dance. Only those wanting to try-out for Varsity Squad need to attend the try-out on May 31<sup>st</sup>. We are hoping that with inviting all girls to attend clinics the squads will be stronger and start their stunt clinics in July with some idea as to what level of stunting they will be performing.

If you're planning on attending the clinics, be sure and sign up (at registration). All forms must be completed and turned in prior to the clinics. All girls trying out for Varsity must complete the Varsity Application and bring that with them to the clinics prior to try-outs. BYC has a no refund policy for any girls trying out for the Varsity Squad you will not be able to get a refund of their registration fees after their Try-Outs are completed.

**All BYC Registration forms must be completed and turned in prior to clinics & try-outs. You may bring the completed varsity application with you on the first day of clinics.**

**Participation in the clinics for 7<sup>th</sup> & 8<sup>th</sup> graders is not mandatory (unless trying out for the Varsity Squad) and all girls will be placed on a squad for the 2008 season.**
